TOGETHER FOR CHILDREN
MAZI GIA TO PAIDI

Dear Friends:
This is an urgent appeal from “Lifeline Hellas Humanitarian Organization” and the “Together for Children” of Greece (Mazi gia to Paidi) who have taken the initiative to launch a humanitarian campaign together, with the purpose of helping children in Greece during these hard times.

HRH Crown Princess Katherine founded “Lifeline Humanitarian Organization” in 1993, with offices in New York, Chicago, Toronto, London and Athens. One of the most important activities of Lifeline Hellas includes raising funds for hospitals and foundations in Greece. A large amount of humanitarian aid has been distributed throughout the country www.lifelineny.org

Founded in 1996, the “Together for Children Union” (Mazi gia to Paidi) is a nonprofit NGO. The ten member organizations all work in the field of child welfare, offering daily medical educational, therapeutic, psychological, moral and financial support for over 10,000 Greek children who are facing mental and physical disabilities, social exclusion, neglect and domestic abuse, chronic diseases or the sickness or death of an immediate family member www.mazigiatopaidi.gr

Owing to the financial situation in Greece, all the member-organizations of “Together for Children” are facing severe difficulties and some are at the point of suspending their activities altogether, with the subsequent devastating consequences for children and parents.

We need your help now. Please support this important effort to insure that 10,000 children do not become the victims of the current financial situation.

Through the cooperation of our two associations, we are reaching out to Greeks living overseas, as well as friends of Greece abroad, many of whom have expressed their desire to assist the current situation, but are uncertain as to how to go about it.

In cooperation with “Together for Children” (Mazi gia to Paidi), Lifeline opened two bank accounts exclusive for this cause, one in United States and the other in United Kingdom, for the convenience of our supporters worldwide. Donations, which are tax deductible, are welcome either by cheque or by bank transfer (details below). All funds raised will go directly to the cause, and will be evenly distributed to the ten organizations-members of the “Together for Children” Union and to Lifeline.

We thank you for your support and hope we can look forward to a brighter future for these organizations and the children they support.

Please do not hesitate to contact us if you need any further assistance.

Her Royal Highness
Crown Princess Katherine of Serbia
